

FREE Red Cards!

Volunteers needed to “Order” them for Supply Hub weekly!

Red Cards are Know Your Rights wallet cards.
One side is for you, written in your Language.
The other side is written for ICE / federal agents to read.
Everybody needs to carry Red Cards!
You slide your Red Card under a door, or hold it up to a window, to “speak” on your behalf.

ILRC, Immigrant Legal Resource Center, has created free PDFs of Red Cards, printable in multiple languages.

In addition, they work with a Union Print shop, to print and ship them at a reasonable cost.

Red Card Union Print Shop: <https://RedCardOrders.com>

There is **so much need** for Red Cards and other Know Your Rights resources, that most orgs cannot buy or print enough to keep up!

So, there is a link for Nonprofits to use!

Click the “Nonprofits” link
on the ILRC Red Cards page:

Ordering Red Cards

Nonprofits: If you are an immigrant-serving organization or a public defender, the ILRC can arrange to order and ship cards to you for free. [Please use the order form here to place your Red Card order.](#)

Businesses, Private Attorneys, and Orders of 1000+: Order from www.RedCardOrders.com. This is a union-run printer set up to accept your order, print, and ship the cards directly to you.

Each week, you can “order” 250 Free Red Cards FREE! Share with your local Supply Hub or Organization! Give them generously: **Red Cards must always be FREE for anyone to take.**

Each time you use the Nonprofits link, it creates a unique code.

This prevents haters from wasting resources. It limits each person to 250 per week.

Ship them to yourself, your local Supply Hub, or another volunteer!

To help organizations print more Red Cards, over 120 languages of original and translated Red Cards are on this page: <https://linktr.ee/RedCardsMoreLanguages>

Resources include Know Your Rights (KYR) training materials, videos, comics, guides, legal resources, listings of orgs by state, detention camp information, etc. Share freely!

“Which Languages should I Order?”

Our North Shore Supply Hub has a google document for volunteers. See which languages are needed, and quantity needed. Track and “Count Down” as we go, here:
